UPDATED SYNOPSIS

Season 1

Based on Diana Gabaldon's best-selling book series and executive produced by Ronald D. Moore, **OUTLANDER** spans the genres of romance, science fiction, history and adventure as it follows Claire Randall, a married World War II combat nurse who mistakenly falls back in time to 1743. Forced by circumstance to marry Jamie Fraser, an outlawed Highlander, she finds herself falling in love and torn by her loyalties to two men in vastly different times. Claire must reconcile her modern mindset with this 18th-Century world amidst threats from ruthless redcoats, volatile clan politics and a brutal witch trial – and ultimately discovers that there is a fate worse than death as she struggles to save Jamie's heart, as well as his soul.

Season 2

Claire and Jamie arrive in France, hell-bent on infiltrating the Jacobite rebellion led by Prince Charles Stuart and stopping the battle of Culloden. With the help of Jamie's cousin, they are thrown into the lavish world of French society, where intrigue and parties are abundant but political gain proves far less fruitful. Altering the course of history presents challenges that begin to weigh on the very fabric of their relationship – but, armed with the knowledge of what lies ahead, Claire and Jamie must race to prevent a doomed Highland uprising and the extinction of Scottish life as they know it.

Season 3

The third season of **OUTLANDER** picks up right after Claire travels through the stones to return to her life in 1948. Now pregnant, she struggles with the fallout of her sudden reappearance and its effect on her marriage to her first husband, Frank. Meanwhile, in the 18th century, Jamie suffers from the aftermath of his doomed last stand at the historic battle of Culloden, as well as the loss of Claire. As the years pass, Jamie and Claire attempt to make lives apart from one another, each haunted by the memory of their lost love. Separated by continents and centuries, Claire and Jamie must find their way back to each other. As always, adversity, mystery and adventure await them, and the question remains: when they find each other, will they be the same people who parted at the standing stones all those years ago?
