SYNOPSIS	<p>PROFESSOR MARSTON & THE WONDER WOMEN is based on the extraordinary true story of the creator of one of the most iconic super heroes ever conceived, and the seductive secret life he kept from his fans. Harvard psychologist Dr. William Moulton Marston (Luke Evans, <i>Beauty and the Beast</i>) was roundly criticized for the creation of his feminist superhero, but it was his personal life, with his polyamorous relationship with his wife, Elizabeth (Rebecca Hall, <i>The Gift</i>) and their lover, Olive (Bella Heathcote), that was more provocative than any adventure he had ever written.</p>
