SYNOPSIS	<p>Feeling surprisingly unencumbered, Raymond Reddington (James Spader) is back, and in the process of rebuilding his criminal empire. His lust for life is ever-present as he lays the foundation for this new enterprise - one that he'll design with Elizabeth Keen (Megan Boone) by his side. Liz finds herself torn between her role as an FBI agent and the temptation to act on her more criminal instincts. In a world where the search for Blacklisters has become a family trade, Red will undoubtedly reclaim his moniker as the "Concierge of Crime."</p>
